Graphic Design

offer a wide range of graphic design services to cater to various
lient needs. This can include logo design, branding and identity
design, print design, social media graphics, and more. I use design
software like Adobe Photoshop, Illustrator, or InDesign to create
visually appealing designs.

About Me

My name is Bea B. To-os and I am currently pusuing a Bachelor of Science in Information Systems (BSInfoSys) as i believe it will provide me with a solid foundation in the field of programming and also enhance my creativity in web designing. I discovered my passion in 2022 and i am excited to continue my journey in this field and see where it takes me. I am enthusiastic learner who is always eager to learn new things and discover new possibilities in the world of coding and designing.
